Capabilities Statement

2638 Management Group, LLC is a woman and minority-owned leadership development and coaching firm committed to transforming leaders from the inside out. We equip professionals with the leadership skills, confidence, and strategic mindset to thrive in today's evolving workplace.

Core Competencies

- Executive and Leadership Coaching
- Group Coaching
- Leadership Development Workshops
- Leadership Assessments
- Management Consulting Services
- Holistic Wellness Services

Differentiators

- **Comprehensive Coaching & Leadership Development** – We provide executive and leadership coaching, group coaching, and the Energy Leadership Index (ELI) assessment—an exclusive tool that measures how professionals respond to stress and leadership challenges.
- **Holistic Approach to Leadership & Well-Being** – Leadership success is not just about skills—it's about sustaining energy, resilience, and clarity. Our programs integrate evidence-based leadership development with holistic wellness practices, ensuring leaders are equipped to manage stress, increase self-awareness, and perform at their highest level.
- **Strategic Leadership Training & Workshops** – Our dynamic training sessions develop key leadership competencies, from emotional intelligence and executive presence to strategic influence and high-impact decision-making.
